

3 Pinestraw Way, Durham, NC 27713, www.ncperfusion.org

**NORTH CAROLINA
SOCIETY OF PERFUSIONISTS
MEMBERSHIP APPLICATION**

The North Carolina Society of Perfusionists is inviting all North Carolina Perfusionists to become members or renew your membership of this professional organization. Our goal is to expand the membership to include all practicing perfusionists in North Carolina.

Continuing education is a vital part of our certification. Being able to get the CEU's necessary to re-certify locally is a plus considering our demanding schedules and the increasing cost of travel to obtain CEU's. In the past, the NCSP has sponsored 2 seminars per year throughout North Carolina and starting in 2007 a 15-point CEU annual meeting will be offered. Anyone may host a seminar and we welcome new participants.

The membership fee is **\$50.00 ANNUALLY**. Please make your check payable to NCSP.

Sorry, we cannot accept credit card payments.

Vision Statement

To be recognized as a health care professional organization dedicated to protect and serve the consumer by providing continuing educational opportunities for North Carolina Perfusionists.

Mission Statement

The North Carolina Society of Perfusionists is a non-profit organization dedicated to improve patient outcome and to encourage excellence, loyalty and integrity throughout the Perfusion community.

The North Carolina Society of Perfusionists will strive to increase public awareness of Perfusion as a profession.

The North Carolina Society of Perfusionists will support and develop continuing education opportunities for all health care providers to better understand the role of the Perfusionist.
